OFFICE OF
THE DIRECTOR

March 31, 1987

Dear Bob,

Thank you for your March 9 letter on the Agency's recently completed security survey of ACDA. I appreciate the advice and assistance provided by the team and commend them on their thoroughness and professionalism. In my two meetings with the team, I was impressed by them.

I am satisfied that, on balance, we are doing well in our security efforts. However, I recognize that we have more to do. We are in the process of reviewing and implementing the recommendations and, in those cases where we require assistance outside of ACDA, we are developing appropriate follow-up.

We will keep you apprised of our efforts as we move along.

Sincerely,

Dear Mr. Adelman:

I have reviewed the findings and recommendations (enclosed) of the recently completed security survey of ACDA.

With strong leadership from you, the vigorous implementation of these recommendations should provide ACDA with the security posture which its sensitive and critical mission deserves.

By copy of this memorandum, I am requesting the Senior Intelligence Officer of the Department of State to report to me in six months on the status of implementation of these recommendations.

Sincerely,
